

Legal Issues/Environmental Health & Safety

Federal Government Laws and Regulations

United States Code

This is the law of the United States put into titles that represent 50 broad categories. This makes it easier to find laws because often when Congress passes legislation it covers many topics.

Printed version

United States Code Y 1.2/5: (found in the reference section on third floor)

Online version

United States Code (found in the Legal Research section of Lexis-Nexis Academic.
