

Seminar in Applied Economics – Econ 665

Spring 2009

Journal Article Databases

Locate from the [Library homepage](#)

EconLit

Provides abstracts and indexing for articles in over 600 economics journals worldwide.

Also includes indexing for economics dissertations, proceedings, and some books.

Indexes sources from 1969 to the present month.

Use Library homepage > Databases by title to locate. EconLit is a passworded database from the *Dialog* company. Ask a librarian to log you on. Enter File 139 to get to the database.

JSTOR

Over 30 full text economics journals. Coverage from the first year of publication until the last year of publication, or, if still being published, the last 3-5 years. The following journals represent some of the titles included in JSTOR
