- III. Library Services and Collections. 17

- IV. Practice Using Business Resources 18

- V. Appendix: Alphabetical List of All Resources 25

I. Books, Journals, Journal Articles & Newspapers

A. Find books

Axe Library Online Catalog <http://library.pittstate.edu> > *Online Catalog*

Locate all materials, print and electronic available from Axe Library.

WorldCat <http://library.pittstate.edu> > *WorldCat*

Locate holdings of nearly every major library in the U.S. Over 60 million entries. Link to interlibrary loan form to request the titles you need.

Books 24x7 <http://library.pittstate.edu> > *databases by title > b*

Includes over 2,000 online books on information technology. Many related to the role and function of information technology in the business world.

NetLibrary <http://library.pittstate.edu> > *databases by title > n*

Business topics are a primary subject area. NetLibrary books can also be located in the Axe Library Online Catalog or as a separate database on the Databases by Title list.

Credo Reference <http://library.pittstate.edu> > *(databases by title > c*

Over 20 business dictionaries and encyclopedias.

Oxford Reference <http://library.pittstate.edu> > *databases by title > o*

Contains several excellent business and economics dictionaries and encyclopedias.

B. Find journal articles

All journal articles are located from the database pages

ABI/INFORM <http://library.pittstate.edu> > Databases by Subject > Business

Nearly 4000 sources. Most are online. Includes professional, academic and trade sources from 1971 to the present. Dissertations on business topics are also included.

Academic Search Premier <http://library.pittstate.edu> > Databases by Subject > Business

Multidisciplinary source with a strong emphasis in economics. Includes many full text scholarly journals.

Business & Company Resource Center <http://library.pittstate.edu> > Databases by Subject > Business

Includes company profiles, histories, investment reports, chronologies, current news releases, journal articles and trade publications. Nearly 4,000 business sources, over 3200 are full text.

EconLit <http://library.pittstate.edu> > Databases by Subject > Business

Abstracts of articles from 600 economics journals, 1969 to the present. Ask a librarian or search counselor for a password.

JSTOR <http://library.pittstate.edu> > Databases by Subject > Business

Includes 31 full text economics journals

LexisNexis Academic <http://library.pittstate.edu> > Databases by Subject > Business

Company profiles of 35 million companies; national and international newspapers; business trade publications; accounting sources; legal sources. Tabs lead to the *News*, *Legal* and *Business* sections.

Sage Online Journals <http://library.pittstate.edu> > Databases by Subject > Business

Over 40 management journals. All are full text and cover the full range of years of the titles' publication history. Topics include business, management, strategic management, policy, human resources, marketing, policy, industrial relations, and organizational communication.

C. Find newspaper articles

Custom Newspapers <http://library.pittstate.edu> > *Databases by Title* > *C*

Over 100 regional, local and national newspapers included. In addition, there are 60 English language *international* papers.

LexisNexis Academic <http://library.pittstate.edu> > *Databases by Title* > *L*

Over 500 newspapers including with 50 major U.S. papers, 400 regional papers, and over 50 international papers. All full text. Many are covered back to 1980. Most are updated daily.

Wall Street Journal <http://library.pittstate.edu> > *Databases by Title* > *W*

Search the online text of the Wall Street Journal from 1984 to the present. Older years, from 1960 to the current month are on microfilm in Axe Library. The current month is available in the Newspaper reading area of the Library.

D. Use Serials Solutions to find journals

Serials Solutions <http://library.pittstate.edu> > *Serial Solutions*

Contains all print and electronic journals, newspapers, and magazines available through Axe Library. Search by title or by subject. For a listing of journals in accounting, business, economics, use the drop-down box "Please select a subject category." Select the category "Business and Economics."

II. Specialized Business Resources

A. Company Research

Includes directories, histories, financial data, and annual report data. Find competitors, stock performance, sales performance, key company people, company outlook & history

Find company names, addresses, etc.

Reference USA <http://library.pittstate.edu> > *Databases by Title* > *R*

Includes information for over 14 million public and private U.S. business entities. Use the “Custom Search” to create subsets of businesses from various categories. Some company financial and organizational detail is included.

Secretary of State Homepages

The secretary of state of each state will provide a link to their state’s business entities or names.

Kansas Secretary of State Business Entity Search
<http://www.accesskansas.org/apps/corporations.html>

Missouri Secretary of State Search for a Business Entity
<https://www.sos.mo.gov/BusinessEntity/soskb/csearch.asp>

Links to other Secretary of State Homepages can be found at
<http://www.keytlaw.com/Links/govrecords.htm>

Kansas Manufacturers Directory R 338.7609781 K133 2007 *Reference area*

Hoover's Handbook of American Business R 338.74025 H769 2009 *Reference Area*

Hoover's Handbook of World Business R 338.74025 H769w 2008 *Reference Area*

Hoover's Handbook of Private Companies R 338.74025 2009 *Reference Area*

Hoover's Handbook of Emerging Companies R 338.74025 H769e 2008 *Reference Area*

Find company histories

Business & Company Resource Center <http://library.pittstate.edu> > *Databases by Title* > *b*

Contains complete company histories of over 6,000 companies. Enter company name, locate the "Histories" tab.

See also the **Hoover's Handbook** series listed above.

Find company financial data

Mergent Online <http://library.pittstate.edu> > *Databases by Title* > *m*

Provides 15 years of financial data, company history, executives, highlights, property, joint ventures, etc. Use "Advanced Search" to create custom reports on a single company or on multiple companies. From the "Create Reports" tab, choose from a list of "Pre- defined reports for a company. Over 10,000 public companies included.

LexisNexis Academic <http://library.pittstate.edu> > *Databases by Title* > *L*

Use the "Business" tab. Includes broad range of company information. In addition to news, has data from Hoover's, Disclosure, Standard & Poor's, and InvestText.

EDGAR <http://library.pittstate.edu> > *Databases by Title* > *e*

Securities and Exchange Commission SEC filings database.

For historical company financial data, check the Moody's Manuals R 332.63 M776 Reference Area

Moody's Industrial Manual

Moody's Bank and Finance Manual

Moody's Public Utilities Manual

Moody's Transportation Manual

Value Line Research Center <http://library.pittstate.edu> > *Databases by title*> v

Investment analysis of 3400+ companies. Includes Value Line's proprietary rankings, company and industry commentary and trends, and a list of industry peers.

Find annual reports

Axe Library annual report collection

Nearly 300 company annual reports are kept on file in the yellow "annual report" files located in the hallway on first floor.

Annual Reports.com <http://www.annualreports.com/>

Convenient, single location to view public company annual reports or 10-Ks.

PRARS <http://www.prars.com/>

View online and/or have annual reports mailed to you. Lists over 3,000 public companies

Find Market Share Statistics

Market Share Reporter R 380.1021 M341 2009. 2 vols *Reference Area*

Unique source with market share data gathered from industry and trade sources.

B. Industry Resources and Statistics

Locate industry classification codes; industry overviews, outlook, rankings, ratios, statistics and more

Find industry classification systems

Standard Industry Classification <http://www.census.gov/epcd/www/sic.html>

(Also, 3rd floor Documents Reference PrEX 2.6/2 : IN 27/987)

North American Industry Classification System

(NAICS) <http://www.census.gov/epcd/www/naics.html> (Also, 3rd floor Documents Reference PrEX 26.2 : IN 27/2002)

The NAICS system was developed jointly by the United States, Canada, and Mexico to replace the U.S. Standard Industrial Classification (SIC) system. The codes classify industries and provide a standardized way to compare business activity across North America.

Find industry overviews, ratios, and statistics

Industry outlook and overview of industry performance

ABI/Inform <http://library.pittstate.edu> > Databases by Title > t

Use terms such as “business conditions” or “business forecast” and the name of a particular industry.

Business & Company Resource Center <http://library.pittstate.edu> > Databases by Title > b

Click on “Industry” and, then, search by SIC or NAICS code or industry description. Link to an industry analysis overview. Or, click on “Articles” and search for articles with discuss “business conditions” or “forecasts” or “trends” or “business overviews”.

LexisNexis Academic <http://library.pittstate.edu> > Databases by Title > l

Use terms such as “outlook” or “forecast” to find newspaper or magazine accounts on a particular industry.

Statistical sources for industry research

Annual Survey of Manufactures <http://www.census.gov/prod/www/abs/industry.html>

Compilation of U.S. Census Bureau statistics for industry groups and industries.

BEA Economic Accounts <http://library.pittstate.edu> > *Databases by title > b*

Locate the “Annual Industry Accounts” to locate GDP by industry and other industry statistics from the U.S. Dept. of Commerce, Bureau of Economic Analysis.

Business Statistics of the United States R 339.373 B964 2007 *Reference Area*

Current and historical statistics on major industrial sectors.

County Business Patterns <http://www.census.gov/epcd/cbp/view/cbpview.html>

Economic profiles, employment data at county level. Includes the State and County QuickFacts. Locate regional economic data for industries.

Handbook of U.S. Labor Statistics R 331.70021 H191 2007 *Reference Area*

Employment and projections by industry; hours and earnings by industry.

Historical Statistics of the United States, Millennial Edition, 5 vols.

R 317.3 H629 2006 *Reference Area*

Industry Norms and Key Business Ratios *Reserve Desk* R 338.In2 current years

Dun & Bradstreet’s compilation of 14 key business ratios for over 800 industries.

Industry Research Desk <http://www.virtualpet.com/industry/>

Developed by Polson Enterprises. Includes a collection of industry research tools, with emphasis on those that are freely available. Also provides a step-by-step guide on how to do industry research.

Kansas Statistical Abstract <http://www.ku.edu/pri/ksdata/ksah/> Or, 3rd floor, Documents Reference
KD E 50.1201:

Other State statistical abstracts http://www.census.gov/compendia/statab/st_abstracts.html

Handy link to all states that compile a statistical source for their state.

Stat-USA--State of the Nation <http://library.pittstate.edu> > Databases by Title > s

Economic sector, economic indicators, industry, and manufacturing overviews

Statistical Abstract of the United States <http://www.census.gov/compendia/statab/>

Also, Reference Desk C3.134: 2009

Excellent one volume compilation of U. S. Government statistics. Find industry and manufacturing and other economic statistics. Footnotes lead to the original sources of the statistics.

C. Market Research

Demographic research--education, home ownership, educational level; product saturation in county/state areas

Find statistical and demographical data

American FactFinder <http://library.pittstate.edu> > Databases by Title > A

Create specific reports for a potential market. Use housing, population, racial, education, ancestry, and city data.

Census Bureau <http://www.census.gov>

Find people, business, and population maps.

Center for Economic Development and Business Research (Wichita State Univ.)
<http://webs.wichita.edu/?u=cedbr>

County Business Patterns <http://www.census.gov/epcd/cbp/view/cbpview.html>

Economic profiles, employment data at county level. Includes the State and County QuickFacts.

Kansas Data Center Statistics (Policy Research Institute (Univ. of Kansas)
<http://www.ipsr.ku.edu/ksdata/>

FedStats <http://www.fedstats.gov/>

Gateway to statistics from over 100 federal agencies; earnings, wages, income, etc.

State Data Center. State Library of Kansas <http://www.kslib.info/sdc/>

Kansas statistics for state, county, city, and businesses.

D. International Business and Trade

Country background; current trade climate in a country; exporting policies, multicultural considerations

Find country information

Country Studies / Area Handbook Series <http://lcweb2.loc.gov/frd/cs/cshome.html>

Many Country Studies are also available for check out. They are located on the 3rd floor in the Government Documents Department. Call number: D101.22:

CIA World Factbook <https://www.cia.gov/cia/publications/factbook/index.html>

Profiles of countries and areas of the world. Includes economic profiles.

Europa World Year Book R 940.55 Eu74 2008 *Reference Area*

Extensive coverage on individual countries, including basic trade and economic data.

Global Edge <http://globaledge.msu.edu/>

Michigan State University based site for global business. Check the “Country Insights” and “Global Resources.”

Global Markets Direct Company Profiles <http://library.pittstate.edu> > Databases by title > LexisNexis Academic > Sources > Global Markets Direct Company Profiles

Market intelligence services company. More than 8,000 companies included; the 1,000 largest companies includes business strategy, SWOT analysis, value chain analysis, and more

Nations of the World R 382.025 N213 2007/08 *Reference Area*

Provides a political, economic and business introduction to 231 nations and self-governing territories. Includes useful addresses and internet sites.

Portals to the World <http://www.loc.gov/rr/international/portals.html>

Excellent source for electronic resources from around the world.

Stat-USA --Globus and NTDB (National Trade Database) <http://library.pittstate.edu> > *Databases by Title > S*

Locate “Country Commercial Guides”, “Country Background Notes” and other reports and statistical data.

ViewsWire <http://library.pittstate.edu> > *Databases by Title > v*

Provides global business intelligence on nearly 200 countries. Risk Briefings provide graded risk ratings in key business and economic areas.

Find statistics for international business

Foreign Trade Statistics <http://www.census.gov/foreign-trade/www/>

Census Bureau's Foreign Trade Statistics. Historical statistics. State export data.

Global Business & Finance Resources <http://www.internationaleconomics.net/bizfinance.html>

Provides links on multinational firms, international business practices, financial data and financial information. Special interest of this web site: international investment corporations.

International Trade Statistics Yearbook R 382.058 Un3y 2005 2 vols. *Reference Area*

United Nations publication with detailed exports/imports by country. Historical statistics from 1965-2005.

International Trade Association (U. S. Department of Commerce) <http://www.ita.doc.gov/td/industry/otea/index.html>

Statistical Yearbook (published by the United Nations) R 310.58 Un3s 1947-2007 *Reference Area*

World statistics for 50 years of the 20th century.

Trade Stats Express <http://tse.export.gov/>

Annual and quarterly trade data for states and the United States

United States Foreign Trade Highlights; Trends in the Global Market.

R 382.021 Un3 2007 *Reference Area*

Other statistics found in STAT USA <http://library.pittstate.edu> > Databases by Title

STAT USA---Globus and NTDB—International Trade Library

STAT USA—State of the Nation Foreign Trade Data

STAT USA -- USA Trade Online (check with Documents Librarian for password)

See also **Viewswire** for country statistics

International Classification Systems

Harmonized Tariff Schedule of the United States <http://www.usitc.gov/tata/hts/index.htm>

Based on a global classification system used to describe world trade in goods

E. Accounting and Tax Research

CCH Tax Research Network <http://library.pittstate.edu> > *Databases by Title* > C

Complete guide to tax law.

LexisNexis Academic > use tab for **Business**, then, use tab for **Accounting**

<http://library.pittstate.edu> > *Databases by title* > L

Contains a library of accounting resources

F. Federal and State Law, Statutes, and Regulations

GPO Access <http://www.gpoaccess.gov/>

Gateway to government regulations, Code of Federal Regulations, legislative bills, hearings and more.

LexisNexis Congressional <http://library.pittstate.edu> > *Databases by Title*

Public laws, government regulations, and legislative bill tracking

LexisNexis Academic > Legal Resources <http://library.pittstate.edu> > *Databases by Title*

Case law, codes and regulations, and a growing body of international law sources

G. Axe Library Research Guides for Business

Research Guide—Accounting <http://library.pittstate.edu/ref/resources/business/accounting.html>

Research Guide—Economics <http://library.pittstate.edu/ref/resources/business/economics.html>

Research Guide—Finance <http://library.pittstate.edu/ref/resources/business/finance.html>

Research Guide—Management <http://library.pittstate.edu/ref/resources/business/management.html>

Research Guide—Marketing <http://library.pittstate.edu/ref/resources/business/marketing.html>

III. Library Services & Collections

SERVICES

Reference help <http://library.pittstate.edu/help/>

The Reference Desk is staffed all hours the library is open.

- Use IM to chat with a librarian during library hours. Or, use the email reference form <http://library.pittstate.edu/help/#askhelp>
- Contact the reference librarians via email <http://library.pittstate.edu/ref/services.html#emailref>

Or, contact

Jo Anne Beezley 620-235-4889

beezley@pittstate.edu

Robert Lindsey 620-235-4887

rlindsey@pittstate.edu

Off campus access to Library

databases <http://library.pittstate.edu/db/proxyfaq.html>

- Copying & printing—use your Gorilla ID card. Cost is \$0.05/page
- Interlibrary loan—Use the ILLiad system to borrow books or have journal articles copied <https://pittstate.illiad.oclc.org/illiad/logon.html>
- Circulation of Axe materials <http://library.pittstate.edu/circ/>

Library Collections

Book collection: 400,000 titles; approximately 20 % are online

Government documents: 500,000 titles

Special Collections: 73 collections

Online journals and newspapers: 16,000

In house journals (print and microfilm) 1200 titles

Online databases: 100 +

IV. Practice using the business resources

ABI/INFORM (Go to the library homepage: <http://library.pittstate.edu> ; click on Databases by Subject. Choose Business; then, select, ABI/INFORM

Search for a topic using the **Location** field and the **Subject** field.

- A. Find articles on economic conditions in China.
1. Enter China in the first search box. Select Location from the drop-down menu.
 2. Enter economic conditions in the second search box. Select Subject from the drop-down menu. Click Search.
 3. Limit your results to articles published after January 1, 2008.
 4. How many sources did you find? _____
 5. Next, limit your results to only Scholarly Journals. Find an article that is full text online. Email it to yourself.
- B. Search for articles written by Dr. Muoghalu. Use the drop-down menu and select Author . How many can you find? _____

Business and Company Resource Center (Return to Databases by Subject > Business; select *Business and Company Resource Center*)

- A. Select the Company Tab. Search for *New York Times Co.*, Ticker symbol: *NYT*
1. Click on the entry for the New York Times Co.
 2. Click on the *Histories* tab. Find the company history. *How many newspapers are published by the New York Times Company?* _____
 3. Next, click on the *investment reports* tab and find what the analysts recommend for buying stock for the New York Times Co.

a. Find a current Reuters Investment Profile. Find the “Consensus Estimates” section. What is the Buy Recommendation? _____

4. Locate the *Financials* tab. Now, find the “Financials Dashboard.” What is the most current closing stock price of NYT _____

Locate the historical stock prices. What was the stock price on Dec 31, 2002? _____

5. Select *Industry Overview*. Click on SIC 2711 newspaper publishing and printing. How many industry overviews are available? _____

B. *Business and Company Resource Center* also has articles. Click on “Advanced Search” at the top of the page.

Enter the terms *newspapers* and *circulation*. Your results? _____

Click on Revise Search tab on the left hand side.

Restrict the terms to the Subject field (use the drop down box). *Limit* to full text only. What are your new results? _____

Serials Solutions

(Locate from the Library homepage <http://library.pittstate.edu> > Serials Solutions. Find the online journals and the print journals available to you at PSU)

A. Enter the journal title: *Management International Review*.

Which online database has the longest range of years available? _____

Check the holdings for Axe Library by clicking on *Pittsburg State University Library Catalog*.

Where would you find the 1985 issues? _____

B. Search for journals by a subject category. Locate the search box “Please select a subject category”. Use the drop down box and locate the category of “Business and Economics.”

Locate the subject category *Marketing and Sales*.

How many journals are available in this category? _____.

Mergent Online

(Provides 15 years of financial data for 10,500 US public companies. Create customized reports.)

A. Search for New York Times Co. -- ticker symbol NYT (For best results search by ticker symbol; if you don't have the ticker, enter only the first couple of words of the company name.)

1. On the "Business Summary" page find some basic information about New York Times Co. (NYT)

What is the NAIC code? _____ the SIC code? _____

What is the total revenue? _____ What is the total liabilities? _____

2. Click on the tab "Create Reports" Then, click on "Pre-defined Reports"

How many kinds of pre-defined reports are available? _____

3. Create a custom report comparing companies in the newspaper industry.

Return to the original search screen by clicking "Search". Then, click "Advanced Search".

In section 2, select the category of "Industry Codes." Select the subcategory of "Any NAIC."

Enter the NAIC code 511110..

Click on "Add." Then, click on "Run Search."

How many companies are in the same industry group as New York Times Co.? _____

4. Compare the companies in the group you created.

At the top of the list of companies, click the word "(all)" to check all of the companies. Then, towards the top of the page, click "Click here to add all the companies..."

This adds all of the company names to the "Company Analysis" list.

On the right, locate the *Company Analysis List*, click on expand. Then, click on "Create Comparison Report"

Select the Category of "Financials" and the sub category of "Net Income". Now, click on "Add report item." Then, click "Create report." When the report is created, click on the "up" arrow so the companies appear with the highest net incomes appearing first. You now have a report you can download or print. What company has the highest net income? _____

REFERENCE USA

Directory of public and private businesses. Locate business names, addresses, and company profile, including sales, employees. Includes latest news from Google and links to home page.

Select "U. S. Business". Click on "Custom Search".

1. Create a list of Kansas businesses that have a sales volume over \$1 billion.

How many businesses did you find? _____

2. Locate within your list, Seaboard Corp. What is their Fortune 1000 ranking? _____

Stat-USA Internet

Contains two major databases: GLOBUS & NTDB for international market research and trade reports and State State of the Nation for economic data.

A. GLOBUS & NTDB

Includes: Market and country research, Country Background notes, Trade directory, Trade statistics

Locate the Country commercial Guides. Locate the Country Commercial Guide for Taiwan. Find the chapter on Investment Climate (p. 64.) How is the foreign investment climate described?

B. State of the Nation

Includes: General economic indicators and current statistics on housing and construction; employment; manufacturing and industry; monetary

2. Locate the report on "Retail E Commerce Sales" in the Manufacturing and Industry section.

What percent of 2008 2nd quarter sales was E Commerce? _____

What percent of 2009 2nd quarter sales was E Commerce? _____

LexisNexis Academic

Covers major U.S. and International newspapers and news sources, newsletters, magazines, and journals
Company dossiers, Create custom company reports.
Legal sources, including law cases, codes, regulations, patents

A. Click on the Legal Tab

1. Find the law case “Int’l House of Pancakes, Inc. v. McNeal” This case involved a franchise dispute between IHOP and Jimmee McNeal.
2. Select Federal and State Cases from the list on the left hand side.
3. Enter IHOP and McNeal as your search terms.

When was the IHOP v McNeal case decided? _____

B. Return to the opening screen by clicking on “Start Page” (upper right hand side).

1. Click on the Business Tab
2. Select Company Profiles.
3. Enter Applebee’s. Arrow down to Sources and select Hoover Company Records In- Depth Reports.
- 4.. Review the most recent *in-depth* report. Find the “Market and Industry” section.
5. How many Applebee’s restaurants are in Kansas? _____
6. How many competitors are listed? _____

Value Line Research Center

Value Line stock analysis for over 3,000 key companies. Stock screening variables

1. Click on “Standard Edition,” found on the left hand side.
2. Find the “Look Up Company” search box and enter the ticker NYT (New York Times Co.)
3. View the Value Line report. What grade does Value Line give NYT for its “Company’s Financial Strength?” (in the pdf Value Line report, look to the bottom right). _____
4. Now select “Stock Screening” from the right hand side. How many stocks received either a 4 or 5 in both the *Timeliness Rank* and the *Safety Rank*? _____

American FactFinder

Census Bureau statistics. Demographics, Housing, Business statistics.

Find the “Fact Sheet” for Crawford County, Kansas.

- A. What is the estimated population for 2005-2007 from the *American Community Survey*?

- B. What is the population from the *2000 Census*? _____

Viewswire

Business intelligence, including country analysis and business risk assessment for over 200 countries.

- A. Country analysis: on the left hand side, under “Countries,” choose Bolivia. Locate the “Risk Briefing”

Look at the risk assessments for Bolivia. What is the overall assessment risk _____?

Axe Library Online Catalog

The Online Catalog includes everything in Axe Library (books, documents, periodicals, videos, etc.). Tip: Search title keywords when the subject keyword search does not produce results you want. Sort your results by date. Print and/or email a booklist of your selections. The online catalog also includes materials from other Pittsburg libraries

A. Search by subject keyword.

Search for books on industrial management case studies.

Click on the subject heading "Industrial management-Case studies" How many books are there? _____

Sort the books by "Publication date."

What is the date of the most recent book? _____

Where is the book located? _____ What is the call number? _____

WorldCat

Includes over 60 million titles from libraries throughout the U.S. Use the ILLiad link to request a book via interlibrary loan. Can restrict to formats and content types

1. How many books can you locate on *corporate leadership*? _____
2. Refine your search. Return to the search screen by clicking "Searching". Change "keyword" to "subject" and click "Search." This will give results with "corporate leadership" as a subject heading. Go to the bottom of the search screen and Rank By "date." This will order your results by the most recent date.

What are your new results? _____

What is the most recent date? _____
