BARBARA BARRETT, loving wife of Dick Barrett for 30 years, died suddenly April 14, 1993 while on vacation in Kansas. She was born in Kansas on November 17, 1932 and was an only child.

Barbara had been very active in Glendora. In January 1978 she joined the Glendora Newcomers Club and has been very energetic, taking numerous chairmanships. In 1990-91 she served as their president.

When her girls were in Lassie League, she and Dick were both involved.

During her daughters' years in the band at both Sandburg Middle School and at Glendora High School, Barbara and Dick devoted much of their time to the Tartan Band Boosters, where they served as co-presidents. It was this affiliation that brought her to Coordinating Council as the Booster representative. She then served on Coordinating Council as their Humanitarian Chairman and was First Vice-President-elect of Glendora Coordinating Council.

Barbara was very involved in her church - Glenkirk Presbyterian Church, where she was a member of the hand bells with her daughter Lisa, with Dick active as an usher.

She was Chairman of the Instrumental Music Committee at Citrus College and was serving as chairman for the college's second annual Music and Crafts Festival benefit.

Barbara also belonged to a gourmet group, bridge group and a couples bowling league; she was very proud of her extensive plate collection. She and Dick had a high priority for their family and friends and they loved to travel.

So many people thought highly of Barbara. Her daughters' friends and the youngsters from band, affectionately called her "Mom" Barrett. Her dear friend, Toni Harris, said, "She was like a sister to me. We laughed together a lot. She never said anything unkind about anyone. She always had something positive to say, always something nice"

She is survived by her husband, Dick, who was her best friend; daughters Lisa of Covina and Lori Gobbo of Chino Hills; her father, Arthur Williamson; and her first grandchild, Nicole Danielle Gobbo. Her mother predeceased her in December 1992.

Services were held at Glenkirk with burial at Oakdale Cemetery.

In lieu of flowers the family is requesting donations to the American Diabetes Association and the Decatur EMS (Emergency Medical Services) in Kansas.
The Glendoran Magazine

is a Historical Digest about People, Places and Events, in and around Glendora.

It offers the public a chance to express their talents by contributing articles and pictures of their families, schools, or remembrances in general. Pictures are returned unharmed.

Aunt Barb
To some you were "Mom,"
But to us you were "Aunt Barb."
When you became a part of our family many years ago,
You touched our lives in a way we'll never forget.

Even though we only saw you once a year,
Your warmth, your smile, and your caring
Were with us every day,
No matter how far apart we were.

You left us without a goodbye
And with no chance for us to say, "We love you."

Though you're now a part of God's bouquet
You'll forever be in our hearts.
